Volume 35 No 13

Well, I tell you what, we've only gone and done it again. It's always a nice feeling when you manage to lure a stunning new girl into your mag, and it's doubly sweet when she's a home-grown lovely... and when she's got a body on her that's anyway near and sexy as Louise's, it's time to head to the local and insist on drinks all round! Yes, it's a corny line, but she really is a cracker, so it was only fitting that we got her to do the traditional Christmas turn for us and don the cringle costume. And, in the true spirit of the season, she was very happy to live by the maxim that it's better to give than to receive – because she certainly gave us a good eyeful as she peeled off and strutted her snowy stuff. Still, to be fair, come the end of the shoot and she was doing more than her fair share of receiving, too! I can only hope all your Christmases get off to such a flying start! – **The Ed.** ♣

crotch. Eagerly I slipped my hand down further, under her skirt and up her smooth thigh to her satin panties, which were taut against her moist pussy mound.

Leaning back over the bonnet of her mum's car, Martine spread her legs wide to give me easy access to her panty-clad pussy. My fingers brushed lightly over her protruding love lips, and slid inside her panties and down to feel the juicy wetness between her legs. Playing gently with her bulging clit, I heard her gasp in delight as her body jerked forward in a stifled spasm of erotic pleasure.

She was the lushest bird I had ever been with, and in an instant I had whipped down her panties, dropping them down around her ankles to expose her lovely furry fanny to the freezing night air. I squatted down in front of her on one knee and began to eat her succulent pussy out.

Arching her hips, she pushed her pussy forward as I spread her succulent-looking labia and began to lick out her wet love hole. It was delicious, and repeatedly I began plunging my tongue into her, with her sticky juices flowing freely around it. Slowly I began to lick up to her clit, working my tongue around her hard little pleasure button, until finally she bucked her

WORTH THE WEIGHT

I don't buy many copies of *Club* because you don't feature enough stockings and heels for my liking but I bought Volume 35.11 because I found Tiffany very pretty, Natasha nice, if a bit skinny for my liking, then suddenly out of the blue the best shots in the mag, reader's girlfriend Shayla. What a fantastic female shape, beautiful face, lovely tits, absolutely stunning in the white lingerie. I hope this isn't the last we see of her in your publication. She really looks the part; she is voluptuous and not just posing like a block of wood. I do like blondes, but Shayla must rate as one of the best newcomers I've ever seen. Get more girls like her in your mag and I'll be buying it every month.

TRIM & PROPER!

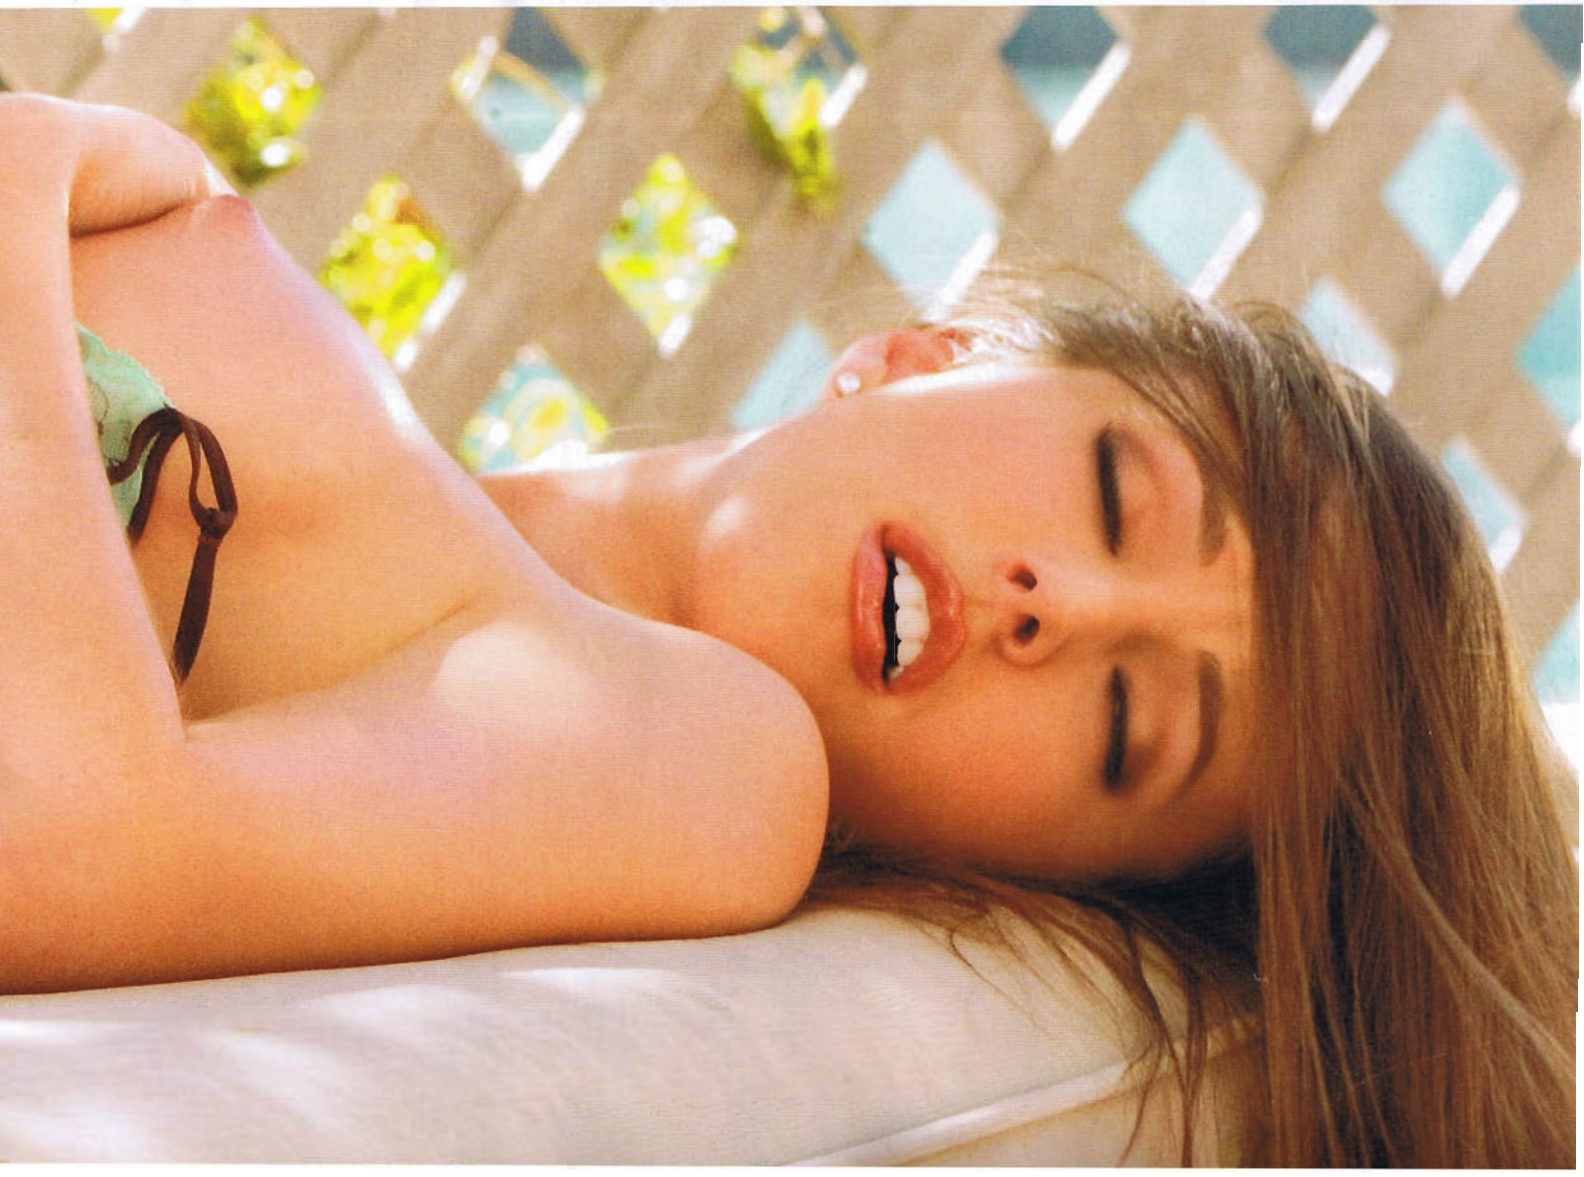
To shave or not to shave? Erica's cutting remarks!

PHOTOS: JACKS

If we were handing out end of year awards to all our fantastic models then can you guess what accolade the lovely Erica would be receiving? That's right, she'd be getting a special prize for her marvellous muff. Just look at it, it's the best in show by far, a subtle blend of modern day kempt styling fused with an undertone of classic hirsute wildness!

"I'm in two minds as to what to do with it at the moment," Erica confessed. "I'd really like to leave it to its own devices and let it grow out of control, you know, let it take on the natural look. But I don't think that's so attractive to men, at least not in this day and age. The last thing I want is to deter any guys from going down on me because my bush is too hairy. I mean, I like them to have to search out my clit but I don't want to make it too difficult for them, otherwise I'll end up an unsatisfied woman!"

So, the decision rests on a razor's edge – quite literally! ♣



HIGHLAND FLING

Being a loyal Scotsman I was ever so pleased to see Crystal wearing a wee tartan skirt in the last issue. Now I know it's very unlikely that she's a real Scots lass (I'll hazard a guess at her being American) but since none of the girls round here look as amazing as she does I don't mind. And those leopard-skin panties she was wearing underneath immediately reminded me of one of our most famous sons. Well, I wouldn't mind slipping her my Rod!

the tempo until she began to whimper as her pussy started to contract yet again.

Back and forth I thrust, feeling her pleasure build toward an enormous explosion, which shook her body relentlessly as she came buckets! I kept thrusting, wanting to fill her with my sperm jets. Pulling back my knob for an instant, I plunged it back in suddenly, jerking sharply as I ejaculated, emptying every last drop of spunk inside her tight, wet, slippery hole.

And it turns out it wasn't a minute too soon as a light suddenly went on in the house and I saw the curtains twitch.

"Shit! It's my parents," gasped Martine as she rushed to redress herself. She gave me a quick peck on the cheek and with that I slipped into the shadows and headed home on foot. Although it was still freezing I had a very warm feeling inside of me and couldn't wait to tell the guys at work the next day.

Martine no longer works for our company but I'm sure I'll find something equally as pleasing to grab hold of at this year's do. Have a good one, and keep up the good work!

Given what time of year it is, we're going to be generous enough to let you the viewers into a little industry secret. The pictures of Gabriella that you're feasting your eyes upon right now may depict a cold Winter's day but they were actually taken during the summer, so as you can imagine Gabriella felt a bit stupid donning that big furry hat. But we don't want to shatter the illusion any further so we won't tell you what she really said when we asked her what she fancied for Crimbo. Instead, we'll pretend she said something along these lines...

"I'd love to wake up on Christmas morning with a big box of sex toys. I'd particularly like one of those vibrators that pleasures both holes because it can be quite difficult trying to use two vibrators at the same time. Believe me, I've tried and I've yet to achieve orgasmic satisfaction before the batteries on one of them has run out!"

Well, you know what to ask for next year then, don't you? ♣

STOKE ME & POKE ME

Come and meet Katie, she's no stranger to doing dirty work

PHOTOS: MB EUROMEDIA/MARCO MARI

Ever heard the phrase 'you don't look at the mantlepiece when you're stoking the fire'? Well, we think you'll agree that it doesn't really apply where the beautiful Katie is concerned. Now we're all for equal rights in this day and age but expecting a lady – and one as glamorous as Katie here – to partake in a menial manual task such as clearing the fireplace just isn't on. But apparently she doesn't seem to mind...

"I love getting dirty," she admitted. "A bit of hard labour like this gets me in the mood for some rough sex. Seriously, I'll do a bit of hard graft so I get hot and bothered and once I've worked myself up into a real sweat it's the perfect excuse to jump in the bath – and take someone with me if I'm lucky. Nothing beats getting sponged all over by a guy, intent on cleaning me up so that as soon as we climb out of the bath he can have his wicked way with me. But you can guarantee that once we're out of that bath, before we've had time to dry we're getting hot and sweaty all over again, and this time I'm getting covered in another type of mess!"

ROX SHOX!

You'll be pleased to learn that Roxanne thinks as filthily as she looks!

PHOTOS: SEAN McMANUS

In our line of work we obviously get to meet a lot of women, and a lot of these women are quite open when it comes to sex. Which is a good thing when you think about it as it makes our job a hell of a lot easier. But even we weren't prepared for the absolute tirade of filthy thoughts that came out of Roxanne's mouth when we innocently asked her what her ideal night would entail...

"I'd love to be the centre of attention in a mass orgy. You know, being right in the middle of a gang-bang and surrounded by porn studs waving their cocks in my face. I've never had a cock in every hole so to have one in my pussy, one in my arse and one to suck on would be like paradise for me. What would really top it off would be a couple of really horny blonde girls getting off with each other right in front of me. Of course, for it to be perfect, the night would never end, but I can't expect too much, can I?" ♣

MAX LOAD

PHOTOS: RUDEBOY

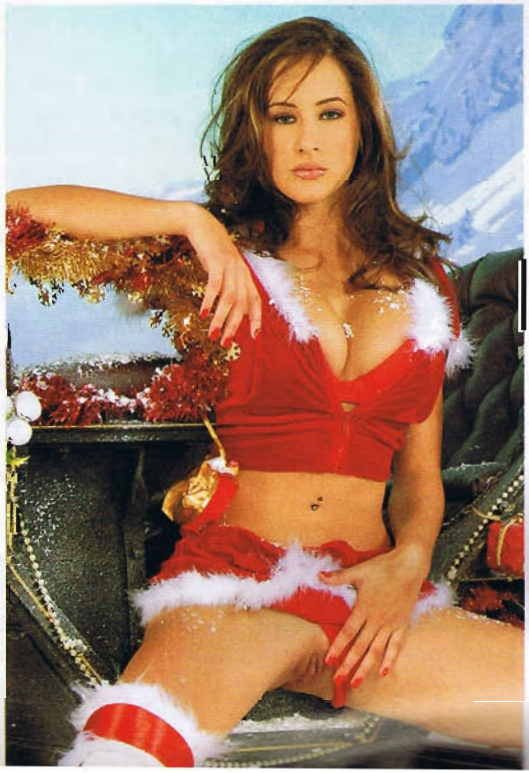
I always used to hate taking my car to the garage for a service because I never knew whether the mechanics were ripping me off or not. Fortunately I've found a garage near where I live that is incredibly cheap. Well, I say cheap, it's actually free although I do have to give the mechanics something in return. Can you guess what it is? Yes, that's right a blow-job for all of them! But I don't mind – you know me, I love giving head and if the truth be known I find mechanics quite dishy.

One of them is absolutely gorgeous, with a body to die for and a cock to be proud of too. I've tried on numerous occasions to convince him to star in a dirty film with me but he reckons his girlfriend might not be too pleased with the idea. That's a shame because when I'm sucking him off he last for ages, even if I try all my dirty tricks and a man capable of holding his load for more than a few minutes when I'm giving him head is a man after my own heart!

The next time I take my car in for a service I'm going to take one of my stunning friends like Sandy or Joise with me and together we'll make him an offer he can't refuse! ♣

SLEIGH BELLE

Since it's that time of year we give you Louise, and oh what fun she is to ride...



PHOTOS: JEFF KAINE

While Bing Crosby never seemed to tire of white Christmases, we reckon you lot are dreaming of something completely different at this time of year. So to get you in the mood, we thought we'd get Club newbie Louise to dress up in some seasonal garb.*

"Christmas is definitely my favourite time of year. Everybody is in party mode and you know what happens at a good party! Last year was fantastic – I was out partying every night in December and went home with a different bloke each night. I don't think I've ever drunk so much champers in one month and I know for a fact that I've never sucked as much dick as I did last December. I fall for that 'holding the mistletoe over your cock' routine every time!

"I think this year I'd better be more selective, though. It was all very well having all that filthy fun but when I woke up on Christmas morning all by myself I realised maybe I should just stick to one guy this year so that I've got something to last me until Boxing day!"

Well, we've already saved you a seat at the Club Christmas bash – right next to the Editor! ♣

WHAT'S SHE LIKE? A real prick teaser if ever we met one. And we've met a few!

WHY DID YOU WANT TO BE IN CLUB?
It's so I can get back with my boyfriend. He said I was really boring and dumped me because of it, but once he has seen these photos I reckon he's going to be begging to take me back.

HE'D BE MAD NOT TO. SO ARE YOU BORING?
I don't think I am. I'm always up for trying new stuff and I did things with my boyfriend that I hadn't done before.

LIKE WHAT?
I'd never been fucked up the arse until I was with him. At first I was really nervous about doing it but he was really gentle with me and made sure my hole was well lubricated.

BUT DID YOU ENJOY IT?
Definitely. The first time he did me up the arse I had the quickest orgasm I have ever had. It was fantastic! Once I'd got used to the feeling of getting fucked up the arse I was begging him to do it all the time. What I really liked was getting fucked up the arse by him while I fingered myself.

HAVE YOU GOT A MESSAGE FOR CLUB READERS?
Well, I haven't really got a message for your readers but I have got a message for my ex-boyfriend: if you've seen these photos and you still think I'm boring then I just hope some of your mates see them and don't think the same! ♣

WHAT'S SHE LIKE? She's got a great body and she's not afraid to flaunt it!

WHY DID YOU WANT TO BE IN CLUB?
I'm always being told by my friends that I've got a cracking body but I never know whether to take them seriously or not, so I thought I'd get the opinion of you and your readers!

WELL, REST ASSURED WE THINK YOUR BODY IS FABULOUSLY SEXY, BUT IS YOUR MIND THE SAME?
Yes, I'm always having filthy thoughts about what I'd like to do with my boyfriend. I'm just too afraid to tell him as he might think I'm a freak!

TELL US ONE INSTEAD THEN.
I'd love to have a threesome with my boyfriend and another girl. I'm very eager to find out what it would be like to suck on a dick and lick out a pussy one after the other. I'd also like to see my boyfriend fucking another girl.

SO YOU'RE INTO THE LESBIAN THING. DOES THAT MEAN YOU'VE HAD A SAME SEX EXPERIENCE ALREADY?
I've had loads. My friends, the ones I was telling you about who reckon I've got a great body, are even filthier than I am and we're always getting off with each other. One of the girls, Sara, was the first person to make me come with oral sex. She's the best at eating pussy, I just wish my boyfriend was as good as she is!

HAVE YOU GOT A MESSAGE FOR CLUB READERS?
I'm keen to hear what you think of my body. If you do like it and you ask to see more of me, I might try and convince Sara to join me in some photos! ♣

It looks like a very dangerous combination, doesn't it? Experienced porn pro Silvia Saint about to have her wicked way with the doe-eyed Peaches. But regular readers will know it won't exactly be a case of lamb to the slaughter because while Peaches may look like she's never touched another girl's twat before, you shouldn't be fooled. If you don't believe us just look how comfortably she handles that strap-on dildo...

"It doesn't get much better than this," a very excited Silvia Saint remarked. "I've got a strap-on dildo and Peaches' beautiful pussy in need of attention."

"You're too right it needs attention, Silv!" Peaches snapped. "So don't waste any more time telling them how much you want to have fun with me, just bloody get on with it, I'm gagging!"

"Sorry babe, you know what I'm like, I become mouth almighty when I'm very excited."

"Then put your mouth to good use and lick my pussy, and then you can fuck me with that dildo. So come on, what are you waiting for – Christmas?"

REAR OF THE YEAR?

We couldn't say goodbye to 2006 without squeezing in one more lovely arse!

PHOTOS: PHOTORAMA

What's the first thing you notice when you look at this page? The clashing green and red decor? The creepy statue in the background? Don't be silly, if – like us – you're a hot-blooded male, then it's Suzie's fantastic arse. We can't take our eyes off of it which explains why it took us a whole three days to finish this page alone. Seriously, the things we'd love to do with that arse and from the sounds of it Suzie wouldn't mind at all...

"Guys are always complimenting my bum and telling me what they'd like to do with it. I just wish more of them would put their money where their mouth is. Imagine how frustrated I get when someone says to me they want to spread my arse cheeks apart, tongue my delicate ring until it's nice and wet, and then thrust their cock deep inside my anal passage, but don't end up doing it! Sometimes I get so excited at the thought of some anal pleasure I end up begging the guy to take me up the arse!"

Who said desperation was a turn-off, eh? ♣
